

PLACES TO EAT

CAFÉ DIEM: The great food, cosy ambience, and spectacular view promises to warm your heart in the cool weather. Their Pumpkin Soup, Pizzas, Panini, Lemon Tarts, Cakes, and Pastas are some of our favourites. In desserts, we would totally recommend their jaggery-based ice creams. Located at a pleasant 20 minutes drive from Fairy Glen, a meal at Café Diem during your visit to Coonoor is a must!

THE CULINARIUM: Tucked away in Ketti, The Culinarium serves a mix of European, English, and American food, with dreamy fresh breads, and a view to break Instagram. Located at a half-hour scenic drive from Fairy Glen, you could go here for lunch to savour their delectable cuisines; the potpies are a special recommendation. The cakes, éclairs, sausage rolls, macaroons, and plenty more from the patisserie makes it perfect for a high tea party. You can witness the valley turn into a fairy town with twinkling lights, should you decide to stay for sunset.

THE OPEN KITCHEN: The Open Kitchen is located at a 5 minutes drive from Fairy Glen, and is one of the best places to eat at, in Coonoor. The place offers an extensive Italian menu with a large variety of pizzas, sandwiches, and desserts; and has grown to be a favourite amongst locals and tourists. Though they are known for their sumptuous chicken pizzas, they also offer a variety of options for vegetarians.
